2. Seven- (7) % state sales tax will be added to the cost of all lots delivered in Ohio.
3. Mail bid auction sales are not approval sales. No lot may be returned without written permission, and such permission must be requested within three (3) days after receipt of lots. By submitting your bids you agree to the Terms of Sale herewith set forth.
4. Bidders unknown to us must supply acceptable credit references or a 25% deposit to assure entry of their bids. Deposits from unsuccessful bidders are returned promptly.
5. All postage, insurance, and shipping charges will be added to invoices. A \$1.00 packing, materials, and processing charge will be assessed for each lot. There will be a minimum \$2.50 charge for packing and processing. 6. Terms of sale are strictly cash in United States funds. **FOREIGN PAYMENTS MUST BE MADE IN US DOLLARS AND ALL CHECKS MUST BE DRAWN ON UNITED STATES BANKS.** Payment must be made immediately upon receipt of invoice or, at our option, upon receipt of material. 7. Lots to be mailed to addresses not in the United States or its Territories will be sent only at the risk of the purchaser. When possible, insurance will be obtained; it must be noted, however, that adequate insurance is often not available by surface mail.
8. All books are as described. We acknowledge the possibility of errors and typographical mistakes. Any errors on our part will be cheerfully and promptly corrected. We cannot, however, be responsible for your errors; **PLEASE CHECK YOUR BID SHEET CAREFULLY.**
9. Title to all lots remains with The Money Tree until paid for in full. We reserve the discretionary right to withhold the delivery of lots until full payment has been received. We reserve the right to reject any bid from any bidder, which we deem is not made in good faith. We reserve the right to reject any bid, which, in our opinion, is unacceptable.
10. A Prices Realized List will be mailed to bidders and to those who purchase their catalogues.

11. *A TEN (10) PERCENT BUYER'S FEE WILL BE ADDED TO ALL LOTS.*

THE MASTER OF WOLFEBORO CONSIGNMENT

CORRESPONDENCE FROM THE WALTER NICHOLS FILES

925. *[American Numismatic Society.] Membership Dues Receipts. 1931-1938.* Six 14 x 21 cm receipts on official ANS paper. All are addressed to Walter P. Nichols, except the first three, which have his middle initial as "B". On the 1933 receipt he instructs the ANS to change the "B" to "P". The 1938 receipt bears the signature of Sydney P. Noe. All were vertically folded for mailing, else fine. **Fine. (75.00)**
926. *[Chapman, Henry.] Two Letters. 1931 & 1934.* Two 21 x 18 cm letters on Henry Chapman's official letterhead. The 1934 letter informs Mr. Nichols that Mr. Chapman can not supply him with a Pan-Pacific Set at this time, but can supply a \$50 Octagon at \$200. Both letters were folded for mailing and bear Henry Chapman's signature. **Fine. (40.00)**
927. *[Boston Numismatic Society.] Ten Letters. 1931-1939.* Ten 8½ x 11 inch letters, all on official Boston Numismatic Society Letterhead. June 5th, 1931 to November 5th, 1939. Nine of the letters are signed by Shepard Pond, who served many years as BNS secretary and cover BNS business as well as talks about Nichols running for ANA governor. The other letter is signed by Morgan H. Stafford. This letter tenders Mr. Stafford's resignation as secretary of BNS. Of special note, is that Morgan H. Stafford joined the ANA in 1892 as Member #124 and in 1899 when Dr. Heath reassigned numbers Mr. Stafford became #44. All letters were folded for mailing. **Fine. (100.00)**
928. *[Various Numismatists.] Nine Letters. 1934-1936.* Eleven 8 ½ x 11 inch letters, all on company or formal letterhead. Grant's Hobby Shop, Rhode Island; Ye Olde Coin Shop, Chicago Ill; W.E. Surface, Decatur, Ill; George P. Coffin, Augusta Maine; Klein Bros. New York; Kenneth W. Lee, Glendale Calif.; T James Clarke, Jamestown N.Y.; W.R. Anderson, Chicago Ill (3); Koin-X-Change, Chicago Ill. All letters are signed. Of special are three of the items; first the T James Clarke letter is a paid acknowledgment for the purchase of 5000 coin envelopes. Mr. Clarke (Of U.S. Large Cent Fame) was the owner of a Box & Label Works. Second, the three letters from W.R. Anderson, all are on orange paper with a 3 x 5 inch illustration of Anderson's Educational Coin Book. The letters discuss the purchasing of quarter dollars from Mr. Nichols. The third letter of interest is from The Koin-X-Change, who was owned and operated by Rollo E. Gilmore. Mr. Gilmore produced a reprint of the Doughty 1890 work on U.S. Large Cents. His reprint was done in 1933, but he neglected to identify it as such! (The cataloguer would like to take this opportunity to thank

Mr. Charles Davis for his explanation of these events in his 1991 work "American Numismatic Literature.") Most of the letters to Mr. Nichols discuss either gold or commemorative coins. All letters were folded for mailing. **Very Good-Fine. (75.00)**

929. *[Spink & Son, Ltd.] Six Letters. 1931-1937.* Six 8 x 10 ¼ inch letters, all on official Spink & Son, Ltd letterhead. October 15th, 1931 to June 2nd, 1937. The letterheads are exquisite to say the least. Each letter bears the crest of H.M. The King & H.R.H. The Prince of Wales, with the exception of the May 3rd, 1932 letter which has the crest of The Late Queen Alexandra. The crests and the printing are raised, with some in red ink. The paper is heavy weight. The letters contain language concerning Mr. Nichols addition to Spink's mailing list and purchasing gold coins. Of special note is the May 7th, 1937 letter. This letter details the sale of a copy (1911) of Head's Historia Numorum and Forrer's Descriptive Catalogue of the Weber Collection of Greek Coins. Included with the letters is the invoice for the Historia Numorum. This is a rare opportunity to purchase a few pieces of numismatic history! All letters were folded for mailing. **Fine. (100.00)**

930. *[St. Louis Stamp & Coin Co.] Sixteen Letters.* Four 8½ x 11 inch letters and twelve 8½ x 7 inch letters, all on official St. Louis Stamp & Coin Co. letterhead. These letters discuss various transactions between the company and Mr. Nichols, but of special interest are a series of letters in late 1931. Five letters cover the purchase of a Pan-Pacific Commemorative Set in original case, uncirculated for \$390.00. The letters state that the company can not offer a discount on this set. Also they discuss a credit inquiry made to Mr. Nichols bank (State Street Trust Co.) and the glowing reference they gave him. Mr. B.G. Johnson, (The owner of St. Louis Stamp & Coin Co.) tells of how good customers turned bad, sighting the radically altered financial positions of people over the last two years! (Note this is November 1931, just 24 months after the stock market crash). These are just **great letters**. All letters were folded for mailing and one has a small tear at the bottom. This is another once in a life time opportunity! **Fine. (100.00)**

**WALTER P. NICHOLS JOINED THE ANA IN JUNE 1931
AS MEMBER No.3935 AND BECAME LIFE MEMBER
No.45 IN JANUARY 1937, HE SERVED ON THE BOARD
OF GOVERNORS IN 1939. HE WAS ALSO PRESIDENT
OF THE BOSTON NUMISMATIC SOCIETY**

931. [Three Mountaineers, Inc.] **Five Letters. 1936-1938.** Five 8½ x 11 inch letters, all on official company letterhead. These five letters maybe the most unusual letters of all the Nichols correspondence. First you must understand that The Mountaineers, Inc. is a company that designs & manufactures woodenware, wrought iron, pottery, baskets, weavings, hooked rugs, authentic reproductions and gifts. The first letter to Mr. Nichols conveys a desire to purchase several hundred U.S. large cents in poor or fair condition with or without holes! The next few letters detail the sale of 110 holed coins for \$1.50. Now two years pass and another request for coins, but Mr. Nichols only has higher grades this time, no sale. An interesting comment is made by Mr. Brown, (The owner of Three Mountaineers) that for the purpose we are using the coins, we can not pay more than a few cents for them. The first letter obverse is on white paper with red trim, the reverse is a beautiful full color pictorial of the Great Smoky Mountains. The other letters almost look like a form of brown burlap paper, most interesting. All letters were folded for mailing. **Fine. (75.00)**

932. [American Numismatic Association.] **Eleven Letters. 1934-1938.** Eleven 8½ x 11 inch letters, Nine on the official letterheads of the American Numismatic Association and two on official letterhead of the Numismatist. The two on Numismatist letterhead refer to advertising space Mr. Nichols purchased in the Numismatist, and F.G. Duffield, editor & manager sign both. The letter dated April 24th, 1936 is from the general secretary Harry T. Wilson. It is in reference to the nomination of Shepard Pond for the board of ANA governors. This letter is signed (Not name stamped) by Harry T. Wilson. Mr. Wilson seldom signed his name. The remaining eight letters concern the subjects of dividing the U.S. into five districts for district secretary zones and districting the board of governors. The other subject address the auditing Mr. Nichols was to due to perform on the records of certain ANA officers before the annual convention. These eight letters are from, J. Henry Ripstra ANA President; Herbert W. Walker ANA 1st Vice President; and Martin F. Kortjohn ANA Governor. The above-mentioned individuals sign each. Of note is the scarcity of Herbert W. Walker's signature. This is surely a great chance to own a piece of the ANA's past history! All letters were folded for mailing. **Fine. (125.00)**

933. [Stacks, Tatham Stamp & Coin, Zim Stamp & Coin, Littlecote Stamp Shop.] **Sixteen Letters. 1935-1939.** Sixteen 8½ x 11 inch letters on official company letterhead. The three letters from Zim Stamp & Coin Co. discuss the sale of hundreds of 1931-S cents to Mr. Nichols. The three Tatham Stamp & Coin letters detail sales and purchases of commemorative halves. The Littlecote Stamp Shop letters concern commemorative halves also, and an interest by W. Earl Hamlin (Treasurer of Littlecote) in the York County Maine Tercentenary

Half-Dollar. Lastly, the six letters from Stack's of New York City. These concern transactions for gold coins and cents, with general correspondence added in. Either Morton or Joseph Stack signs all the Stack's letters. All letters folded for mailing. **Very Good-Fine. (65.00)**

934. [Western Union] **Telegram. October 18th, 1938. 233PM.** A Western Union Telegram dated October 18th, 1938 233PM. 6½ x 8 inches. New York, New York: Walter P. Nichols= Deliver 212 West Emerson St Melrose Mass= Telephone Walker Five Seven Naught Three One Upon Your Arrival= F.C.C. Boyd. A decorative sticker stating telegraph congratulation only 25 cents anywhere, 20 cents locally, appears on the lower left corner. Some pencil annotations appear under the main body of the message. One vertical, one horizontal fold. An interesting item of communication between two numismatic figures. **Fine. (50.00)**

Some Rare Coins & Medals Illustrating Several Centuries of English History. What makes this item interesting is the printing at the top front cover, in red: *Souvenir of the American Numismatic Association Convention, New York, 1910. Compliments of the Publisher.* The survival rate of an item like this has to be small. Some slight cover fading. **Fine. (50.00)**

936. [American Numismatic Association.] **1910 Convention Souvenir.** 6 x 9 inch 1 page menu with tan card covers, three-hole punched as issued with white, red & green woven thread ties. Long Live Our Illustrious Honorary member, His Majesty the King of Italy.* The front cover also has the ANA seal and several Roman scenes. The covers have chipping around the entire outer edges. This is surely a rare piece of memorabilia in any condition and the survival rate as with the previous two lots must be very low. **Good. (50.00)**
